

GOURMET FRENCH PRESS COFFEE

The European way to drink coffee. Our french press coffee is ground per order and infused with purified water at your table. Served in one liter thermal pots, this method is a coffee connoisseurs dream.

- **Jamaica Blue Mountain Certified** 9⁰⁰ per
 Jamaica Blue Mountain coffee is one of the most sought after and expensive coffees in the world. This 'Java of Kings' has been satisfying coffee connoisseurs around the globe for more than two centuries. This Caribbean coffee is famous for its exquisite flavor, good acidity, unusual sweetness, excellent body and intense bold aroma.
- **100% Hawaiian Kona Certified** 8⁰⁰ per
 Hawaiian Kona coffees are grown on volcanic soil in a tropical paradise that is cooled by gentle Kona breezes. These perfect conditions produce a coffee that is equally perfect in many aspects. The final product renders light, mild flavor with a hint of sweetness, and just enough fruit and acidity to round out the cup.
- **Kenya AA** 6⁰⁰ per
 The AA grade denotes the finest Kenyan coffees available. The main growing areas in Africa stretch south from the slopes of Mt. Kenya almost to the capital of Nairobi. This coffee assures brightness, a stoic solid body and smooth winey penetrating flavor. Our Kenyan AA is not a subtle delicate coffee but rather a coffee full of power and character.
- **Flavored Coffees (Decaf available)** 5⁰⁰ per
 Hazelnut, French Vanilla, Sinful Delight (Caramel, Mocha, Hazelnut Blend). All of our flavored coffees are scented with natural oils or ingredients to guarantee a quality cup.
- **Turning Point House Blend (Decaf available)** 4⁰⁰ per
 Our exclusive Turning Point house blend coffee is 100% Arabica Columbian Supremo beans. Our coffee is roasted fresh then directly delivered to us twice a week.

All of our coffees are available for home purchase. Please ask your server for market price.
